RYAN MILLS | LAFAYETTE DAILY
ADVERTISER | 22 hours ago

Local and state law enforcement and fire officials discussed the three church fires that have broken out in St. Landry Parish at a press conference Thursday.

RYAN MILLS, RYAN.MILLS@NAPLESNEWS.COM; 239-263-4784

Fires that destroyed three predominantly black St. Landry Parish Baptist churches in the last 10 days are clearly suspicious, the state's top fire investigator acknowledged Thursday, adding that they've discovered several "patterns" at the three crime scenes.

“There certainly is a commonality,” he said.
“Whether that leads to a person or persons
or groups, we just don’t know. And that’s
not unusual for us not to know at this
point.”

The fact that it is three black Baptist
churches in the same parish is obviously a

pattern. "And there are several other patterns," Browning added.

Holden Matthews

3/29/2019 8:42:45 AM

You see brother,I don't think candlelight....or any record label will accept the cover art for the ep/or album I'm not sure what I'm using what for but it's a bit extreme for them

3/30/2019 3:20:42 AM

Yea

Holden Matthews

3/30/2019 8:20:57 AM

Wrote a song in one night lol

Holden Matthews

3/30/2019 9:41:45 PM

Skies are bleeding,the angels are crying,slowly but surely the pain is subsiding. With each weakening breath I hear Funeral bells,soon to retake my high place in hell

I've felt church's wrath,none of Christ's love
As rain pours down and god laughs up above
Burnt at the stake, rain extinguished the flame
But after my corpse has been charred and maimed

(When I return, churches will burn
Crosses inverted, nuns raped and perverted)

As I enter unholy domain
And vow to become god greatest bane
Satans own blood now flows through my veins
As I ride up to heaven, intentions profane
(Chorus)

3/31/2019 12:33:43 AM

Bruh!!

3/31/2019 12:33:53 AM

That's straight up!! Lol

Holden Matthews

3/31/2019 12:36:29 AM

Holden Matthews

3/31/2019 12:48:34 AM

Crazy part is it was triggered by my firms telling me about his tooth ache lmao he took some pain pills and told me "slowly but surely the pain is subsiding" and I was like,dude let me use these as lyrics

Holden Matthews

4/3/2019 10:11:03 PM

Burnt offerings

Starry night, moon is bright, soon the skies will fill with smoke
Fire spews, from the pews
Ancient gods it may invoke
His ravens caw, struck in awe
Pagan fires still burning bright
As the church falls, now ashes once walls
Odin smiles in pure delight
This is a war, you'll know what for
2 thousand years of oppression
By dragons breath, church put to its death
Men of god face depression

The truth!!!!
